

Individual, family and social life or; participation, influence and voice or; identity, expression and self-respect

A – age, D – disability, E – ethnicity, G – gender, O – sexual orientation, R – religion/belief, S – socio-economic status

It is not clear at present what might be possible indicators for these domains. Future investigation on sources of information on representation in local government and other governance structures would certainly be worthwhile.

Key indicators for other domains	Source proposed by CLG	Equality characteristics collected in these sources
1. Percentage of people who believe people from different backgrounds get on well together in the local area. 4. Percentage of people who feel they can influence decisions in their locality	Place survey	A, D, E, G, O, R, S are planned although analysis by disaggregated groups other than gender is unlikely to be possible.
